

WARRANTY

All RITEC instruments are warranted against defects in material and workmanship for a period of **one** year after the date of shipment. RITEC agrees to repair or replace any assembly or component found to be defective after normal use during this period. RITEC's obligation under this warranty is limited solely to repairing any such instrument which, in RITEC's sole opinion, proves to be defective within the scope of the warranty when returned to the factory. **Transportation to the factory is to be prepaid by the purchaser.** Shipment should not be made without prior authorization by RITEC. Please contact RITEC for a return merchandise authorization (RMA) number. To prevent shipping damage to the instrument, it is recommended that the original shipping materials, cardboard boxes and foam, be saved and used to send back the instrument should the need arise. If for some reason, you have discarded the packing material, please contact RITEC before shipping the instrument back for instructions. RITEC is not responsible for any damage incurred to the instrument during shipping back to the factory.

This warranty does not apply to any products repaired or altered by persons not authorized by RITEC, or not in accordance with instructions furnished by RITEC. If the instrument is defective as a result of misuse, improper repair, or abnormal conditions or operations, repairs will be billed at cost.

RITEC assumes no responsibility for its product being used in a hazardous or dangerous manner either alone or in conjunction with other equipment. High voltage used in some instruments may be dangerous if misused. Special disclaimers apply to these instruments. RITEC assumes no liability for secondary charges or consequential damages and, in any event, RITEC's liability for breach of warranty under any contract or otherwise shall not exceed the purchase price of the specific instrument shipped and against which a claim is made.

Any recommendations made by RITEC for use of its products are based upon tests believed to be reliable, but RITEC makes no warranty of the results to be obtained. This warranty is in lieu of all other warranties, expressed or implied, and no representative or person is authorized to represent or assume for RITEC any liability in conjunction with the sale of our products other than set forth herein.

This warranty covers only items manufactured by RITEC. It specifically excludes all items sold by RITEC which were manufactured by other companies. All of these items are subject to their original individual manufacturer's warranty. Any claims for defective merchandise should be made to the original manufacturer for these items.
